DOMESTIC RELATIONS SCREENING FORM

Dear Party/Attorney:

Mediation is your opportunity to meet with a third, neutral person, who is trained to help people communicate effectively. The neutral (or "Mediator") attempts to assist you in working out a solution which is fair, reasonable, and acceptable as a way to resolve your legal claims and concerns. In mediation, the concern is not about who is at fault, but rather what can be done to settle the problem.

However, mediation may not be appropriate in all cases. On the back of this letter, you will find a Domestic Relations Screening Form, which is designed to help us determine if the case is appropriate for mediation. The ADR Program is required by the Georgia Commission on Dispute Resolution to screen all domestic relations cases. We recommend each party complete his/her own form. **DO NOT FILE THIS FORM IN COURT.** Return it to the ADR office.

THESE ANSWERS ARE CONFIDENTIAL AND ARE NOT SUBJECT TO DISCOVERY. If the case is determined inappropriate for mediation, a Release will be filed with the Court stating only that the case is inappropriate for mediation.

Complete and honest answers are important for safety as well as for resolving your dispute as quickly and efficiently as possible. Complete the form immediately and return it to the above address.

Thank you in advance for your timely cooperation in this matter. If you have any questions or concerns, please do not hesitate to contact this office.

Sincerely,

Randall Weiland
Director
